NetPlus
FLEET MANAGEMENT SOLUTIONS—

CLIENT NOTICE

EFFECTIVE 1 NOVEMBER 2026

Smarter billing.
Seamless subscription renewal.

From 1 November 2026, Netplus will manage subscription billing and renewals through our automated system, making it easier to keep your fleet connected.

1 Invoices by email, 10 days ahead

Invoices are scheduled for email 10 days before your agreed renewal date, following approval. Your invoice shows the service period, vehicle quantity and amount due.

2 Automatic renewal after full payment

Your subscription will renew for the invoiced service period once full payment has been verified and recorded. For bank transfers, quote your invoice number and email proof of payment promptly. Partial payments do not trigger renewal.

3 Pay securely online - now live

Use the Paynow links on your invoice or current account statement. Choose an available USD payment method and keep your payment confirmation. You initiate each payment; there are no automatic debits.

ACCEPTED ONLINE PAYMENT OPTIONS (USD)

Visa / Mastercard	EcoCash USD	Zimswitch USD
PayGo / O'mari USD	InnBucks USD	Internet / mobile banking USD

Netplus covers Paynow fees. You pay the invoiced amount.

READY TO PAY? USE THE LINK ON YOUR INVOICE OR STATEMENT.

Choose from available methods at checkout. For bank transfers, use your invoice banking details and email proof with the invoice number.

Please pay before your agreed renewal date to avoid service interruption.

Your existing renewal date and agreed subscription plan continue to apply.
